

Mensa Quiz

In June MTII will introduce EVE, a self contained measurement, data acquisition and interface system. We have developed this multiple choice quiz to determine if you have what it takes to operate and configure EVE – and remember, no cheating!

- 1) How do you spell EVE backwards?
 - a. EVE
 - b. EVE
 - c. EVE
 - d. All of the above
- 2) Take the word EVE and rearrange the first and last letters to create a word synonymous with simplicity.
 - a. EVE
 - b. EVE
 - c. EVE
 - d. All of the above
- 3) What does the following figure to the right represent?
 - a. Intuitive
 - b. Easy to configure
 - c. Customizable
 - d. All of the above
- 4) From these three letters (E, V, E) create a word that means integrated measurement solution.
 - a. EVE
 - b. EVE
 - c. EVE
 - d. All of the above

Answers: 1) EVE, 2) EVE, 3) EVE, 4) EVE

If you answered 3 or more correctly.....you have what it takes!!!!
